WHY ADVERTISE

THE POWER OF A HUGE MARKETING CAMPAIGN IN THE OFFICIAL SHOW MAGAZINE.

Stand out at Build Expo when you advertise in Construction Monthly. Let buyers know you will be in the show before they arrive, direct them to your booth during the show, and make sure they remember you after the event.

WHY ADVERTISE

- Save money by using the Construction Monthly as your flier. Many attendees throw fliers away but keep the show magazine as a reference until the next Build Expo event. Stay in their minds by having an ad!
- Decision-makers who attend the Build Expo use the guide to plan their visit.
- Construction Monthly is mailed to pre-registered Build Expo attendees, past attendees and top level professionals before the show. This is your chance to generate sales before, during, and after the event.
- Frequency - you are in the **Construction Monthly three times:** your ad, your company name with booth# on the exhibitor list, and your resource listing. We give your company exposure via email, social media, website, and direct mail.
- As soon as the magazine is ready for publication, it is uploaded to both the Construction Monthly Website and the Build Expo Website, which gives you online exposure before the show. In addition, a link to the show guide is used in our e-blast reminders to pre-registered and potential attendees. They see your ad all the way up to the show.
